

Spring Cleaning Checklist

Home

Kitchens

- Degrease cabinet tops and range hood where grease and dust collect
- Wipe and sanitize countertops, backsplash, and prep surfaces
- Empty refrigerator and sanitize shelves and drawers
- Run the oven's deep-clean cycle
- Vacuum refrigerator coils behind or beneath the unit
- Clean appliance exteriors and handles

Bathrooms

- Scrub grout lines with a stiff brush
- Descal showerheads using a vinegar solution
- Clean mirrors, glass, and shower surfaces
- Polish chrome fixtures and faucets
- Wipe baseboards and clean behind toilets
- Reset linens and towels

Windows & Air Quality

- Clean window glass, sills, and frames
- Wipe window tracks to remove trapped moisture
- Check for mildew or dark spots near window frames
- Dust vents, air returns, and fan covers

Living Areas & Bedrooms

- Dust ceiling fans and light fixtures
- Clean crown molding and the tops of door frames
- Wipe baseboards to remove winter scuff marks
- Vacuum sofas, chairs, and upholstery
- Move furniture to vacuum underneath
- Clean hidden dust buildup under beds and heavy furniture

Floors & Entry Areas

- Neutralize salt residue left from winter foot traffic
- Deep clean entryways and high-traffic floors
- Mop hard flooring with attention to edges and corners
- Inspect flooring for dull spots caused by salt damage
